27th September 2024

Dear Parents and Carers

This week, Year 1 have used magnifying glasses to observe the inside and outside of different fruit and vegetables. They cut up some fruit identifying different seeds and drew what they could see. Year 4 have enjoyed preparing their very own, handmade scratch art paper ready to use in the next art lesson. Focus Provision have been promoting British value democracy by voting for what junk model to make as a class, the children unanimously decided it should be a robot. Year 2 have enjoyed learning about Biomes in Science and all about the animals and plants living in them. The children can even create their own Biome at home! (See class dojo for details). Year 5 have been exploring the continual development of Coventry pre and post war, what a transformation with a modern twist! Year 6 has been having a lot of fun this week during our Science lessons, especially when learning about blood.

In Key Stage 2, each class has two healthy snack monitors who will help promote eating healthily in school. In assembly today, they helped me give the trophy to 4P who won the award for the class who had the most healthy snacks this week.

Please be considerate when parking outside the school. Do not block our neighbours driveways or park on the pavements, as it is difficult for pushchairs to pass, thank you.

Attendance winners this week are 1H and 5J. Each child in key stage 1 and key stage 2 who achieve 100% attendance for the week, will be entered in to a raffle draw. Therefore, the more times they achieve 100% weekly, the more times they will be entered. At the end of each half term, the winning ticket will be drawn in assembly and a prize will be given to the child and a supermarket voucher to the family.

Dates for your diary:

Weds 9th Oct - School photographer (individuals and siblings)

Thurs 10th Oct - School photographer (individuals and siblings)

Thurs 24th Oct 2.15pm - Y3 Diwali special assembly – Y3 parents invited
