Dear Parents and Carers

This week Year 4 have made and tested string phones in Science. They investigated how the different lengths of string can effect the volume of sound heard. Year 1 have enjoyed making their own pathways and planning a program for the Bee Bots to follow. Year 2 had a fantastic trip to the Black Country Living Museum today. They learnt all about buildings and structures. Their behaviour was excellent and they were a credit to the school.

Thank you to everyone for joining in with our spotty day last week, we raised £313.13 for Children in Need.

The Book Fair is coming to Great Bridge next week! It will be in the hall before and after school from Tuesday to Friday. It is an ideal time to purchase books before Christmas and, the more books families buy; the more books the school receives!

Healthy snacks are encouraged in school and the children love to show staff their healthy food! however, we do not allow nuts because we have children with nut allergies.

The Winter vomiting bug seems to be easing and we have not had as many absences this week, thank goodness! However, if your child is absent from school, please contact the school office by calling 0121 557 1526 or message 07507 282984 or email gb.enquiry@greatbridge.sandwell.sch.uk – please do not Dojo or pass messages to Teachers.
