Dear Parents and Carers

The children have settled back quickly into school life, and we welcome all our new Nursery and Reception children and their families.

Can I remind parents that we allow one pair of stud earrings only in the ear lobe. No hoops or hanging earrings are allowed, as these can be accidently caught on the playground, which could result in injury. No stud earrings are allowed on PE day – your child must come to school without earrings, or they need to be able to remove them themselves.

I encourage children to walk, scooter or bike to school. It is great exercise and minimises the cars around school at drop off or collection. When your child enters the playground, they need to push their scooter or bike rather than ride them. The playground is a busy place, and I do not want any accidents, such as being knocked over, especially with our very young children.
