Dear Parents and Carers

I hope everyone had a lovely half term break. As we are approaching winter and the weather is getting colder, please ensure your child brings a coat to school.

We all know how important it is for students to be at school every day and on time. Consistent attendance helps children build good routines, stay connected with their learning, and make steady progress. I want to take a moment to thank all the families who make sure their children arrive on time each day—your efforts truly make a difference! For families who may be finding attendance a challenge, please know that every day counts, and we're here to support you. Together, we can help ensure every student has the best possible chance to succeed.

Parents' Evening will take place next week, and I encourage all families to book an appointment if you haven't already. [SchoolCloud - Great Bridge Primary School](#) This is a valuable opportunity to celebrate their achievements and explore ways you can support their learning at home. I ask that appointments are kept to the scheduled times wherever possible, as alternative arrangements can only be made in exceptional circumstances.
