Dear Parents and Carers

It was wonderful to see the whole school engaged in fun reading activities on World Book Day. It was a fantastic way to promote our vision that every child should be reading daily.

A big congratulations to our girls' football team, who reached the final in their second competition. They showed great resilience and teamwork – two of our key school values.

May I kindly remind parents that the car park has very limited capacity and is intended for staff use only. The only exception is for parents or carers who are transporting a child that holds a Blue Badge.

If you need to communicate with the school, please try to do so as early as possible. When the office receives messages in the afternoon (for example, if someone different is collecting your child from school), they often have to interrupt lessons to inform the teacher.

Parents' Evening will take place next week. It is very important that you attend so that you can see your child's work and discuss their progress. If you have not yet booked an appointment, please do so as soon as possible (a link has been shared on ClassDojo).
