Dear Parents and Carers,

I encourage children to walk, scooter or bike to school. It is great exercise and minimises the cars around school at drop off or collection. When your child enters the playground, they need to push their scooter or bike rather than ride them. The playground is a busy place, and I do not want any accidents, such as being knocked over, especially with our very young children.

Last year we collected donations for Harvest which enormously helped our community by giving some food to the Black Country Food Bank and some to our School Food Bank. We would like to do the same this year and will be accepting Harvest donations on **Friday 9th October**.
